GOLDEN BERRIES

The Golden Berry or aguaymanto is a round yellow fruit that is considered a **superfood** and **vitamin C** (1) from Peru. This berry is beneficial to your **immune system** (2) because it is high in **vitamin C** (3) and B. I personally love it because it is very delicious **and** (4) nutritious!

Exercise 05.- Match the description with the correct superfood. Follow the example:

TROUT

It is small and round berry that gives you vitamin C, calcium and fiber. It is good for heart health and your eyes.

SACHA INCHI SEED

It is a small and brown grain from the Peruvian Amazon. Its oil is cholesterol free. It is good for your intestines and it helps you to lose weight.

BLUEBERRIES

It is a fish from the Andes with soft and pink meat, it is high in Omega 3, so it is good for your brain and heart.

CONCLUSION OR RECOMMENDATION

PERUVIAN SUPERFOOD: LUCUMA

"Superfoods" is a new term to describe food that offers great nutritional benefits and few calories. They are full of vitamins and minerals that the body needs.

My favourite Peruvian superfood is lucuma, which is a **sweet** fruit with **green** skin and **yellow** flesh.

Lucuma gives you energy to start your day and it helps you prevent heart diseases and some types of cancer.

I love lucuma ice cream, it is my favourite way to eat this fruit.

Try it! It is delicious and healthy.
